## **ATV SILENCERS**

Cleanacres Honda is the exclusive UK distributor for the **BENZ SILENT RIDER** bolt on exhaust muffler, which is available for the following popular models of ATV.

HONDA / YAMAHA / POLARIS / SUZUKI / KAWASAKI / BOMBARDIER

Honda TRX350

**FROM £185.00 PLUS VAT**

The **BENZ SILENT RIDER** exhaust muffler has been designed to attach to the existing ATV exhaust and factory rack in a matter of minutes with either a simple push on or bolt on adaptor (supplied) and once fitted has the effect of **reducing the exhaust noise by up to 50%** (manufacturers figures).

Made of aluminized steel it is one piece and protected by a heat shield. There is no engine performance or power loss and the reduction in noise is immediately noticeable.

Should you change your ATV it can be removed and refitted.

The **BENZ SILENT RIDER** is in use by satisfied customers for:

Deer stalking / Stable yards

Gardens / Fox hunting

Livestock / Shooting

Honda TRX450

Honda TRX650

Yamaha Rhino
