

Cleanacres Honda Sportrax TRX90

The Sportrax 90 is the smallest of the Honda lineup. Powered by Honda's bulletproof 86cc overhead-cam engine, this little machine is perfect for helping beginners get started. The durable automatic clutch makes take-offs and shifting a breeze. The recoil/pull-start system allows reliable starting when the transmission is in neutral. There's never been a better time to introduce your youngsters to the sport of ATV-ing.
