## ***HEALTH AND SAFETY, ATV TRAINING***

**HONDA**  
The Power of Dreams

Cleanacres Honda and Honda UK recommend the following before riding an ATV or driving a Sit in ATV.

1. Read the owners manual and watch the safety videos if provided before use.
2. Only allow a trained operator to use the ATV or Sit In ATV  
(Training details below, one or two day course cost from £120.00 subject to experience)
3. Always wear a helmet when operating an ATV
4. Do not allow persons under 16 years to operate the ATV
5. Do not carry passengers on an ATV

**The following is courtesy of GO 4 IT Training who provide operator tuition for ATV and Sit In ATV users and explains the need for proper training.**
